As Mike drops to the floor after Eleven dissapears along with the demagorgon, he starts to have flashbacks about her, he remembers all the times they had spent together.

Than Dustin says to Mike "we found Will, so we can find Eleven".

Than Mike stands back up and says "I will not rest until we find El".

As Lucas walks closer to the group he says "If El is were the demagorgon is...than she is in the upside down".

"we know absolutly nothing about the upside down" Dustin says

Mike replies "i know somone who knows the place"

Lucas says "Who?"

"Nancy" replies Mike

As Mike, Dustin and Lucas look around for Nancy they find something weird,in a tree there was a little hole so theye tought that is a portal to the upside down.

So theye crawl in the hole and theye were right

"this is what Nancy was talking about" says Mike

"lets look around" says Lucas

"but how will we find the way back" Dustin asks

"one person stays here while the others look for El" replies Mike

"Um... were is the hole?!" asks Lucas

"WHAT WERE DID IT GO" screams Mike

"Oh shit were screwed you guys, were completely screwed" says Dustin
